- Courtney will send out updates on Facebook page rather than using MYF Facebook page.

NEW BUSINESS

Treasury Report/Budget:

- No change in checking balance
- Budget on hold until we get registration numbers finalized
- Insurance is showing a significant increase. Renewal is June 1. (Approx.) \$2348 for one year of coverage. Courtney motioned to approve the charge and the increase of insurance, Sam 2nd it.
- Coaches/Board members children cost for registration? This year we are asking full payment be made at this time. We can see what the budget looks like after registration and see if there is room to give a discount this year or add this into our budget for next year.

- Cory Ploeger is available for field prep. We will pay \$300 for his services.
- Share storage locker with Baseball? Josh was not at the meeting and he was the one who was approached. We will hold off on making a decision until next month.
- Jim & Sam will attend the TRYFL Spring meeting on May 17th or 24th.
- Sam attended USA football – Players Safety Coach meeting May 13th
-

OTHER BUSINESS

- USA football offers grants for helmets. Next year we should consider purchasing helmets for players to make sure kids are getting the proper helmet, correct fit, and the helmet is being reconditioned every 2 years.
- SAM:
 - Heads Up FB practice. During warm up and practice, players should break up into grade levels to get the heads up training specific for their grade level.
 - 2 hour training session with Sam for the coaches. Many things have changed for coaches this year. Kevin and Sam have selected 2 dates to train coaches. May need to utilize the ALC building if school is not available.
 - July 13th 7:30 pm – tackle training with Sam
 - July 20th 7:30 pm – Scheme, Alignment, Assignment & Technique training with Kevin.
 - USA FB – Link for coaches to take heads up certification. Will show up on the dashboard when they complete.
 - USA FB – used to have 4 ways to train, now it is combined into 1 training for all. Terms and technique has changed.
 - USA FB & TRYFL are connected. We are required to be part of USA FB if we are part of TRYFL.
- KEVIN:
 - Grade level Offensive Progression
 - Get all coaches on HUDDLE – video platform for sports
 - Get someone to film at the FB camp for Huddle. 12th, 13th, 14th, 15th 4-7 @ varsity field
 - Purchase a Lineman Split? (Checking storage to see if we have one already)
 - In the future, possibly share a website with the high school team. Front page would be to select Grade Level of student, then it can split off to designated website. This would help families stay connected without having several websites to remember.
 - Fan cloth will be an option this year. We would get the items before the first game.
 - YOUTH FB CAMP SHIRTS will be ordered by youth board.
 - 8th & 9th grade coaches needed
 - JR High Camp, same dates at youth camp

- PO Box renewal July 1
