Meeting called to order at 6 pm.

- Tom at TRYFL wants to have a meeting but won't connect with us with a final date.
- Budget – TRYFL failed to budget properly – we had to pay Monticello for refs causing our budget to be short.
- EQUIPMENT TURN IN – maybe a letter needs to go home with the kids. Only about 4-5 kids have not turned in equipment.
- Next year keep the same for the end of the year celebration – each team does their own thing. \$100 given to each team for reimbursement.
- Non-profit – Courtney will take care of this.

ECYFL:

- Questions to ask the:
 - Could we practice 3 days a week and play 1 game a week?
 - How many refs are paid? Check with Don to see if he is willing to stay on with less games.
 - Ask with then next ECYFL meeting is.
- ASK KEVIN: about flag football? Community Ed program, not through MYF
- No fan cloth next year – Many issues with orders this year. Next year we will look into going with someone else. Henry's in Foley??
